ROOF PLAN

A large, stylized, dark brown illustration of a Balinese shadow puppet (Lawang) serves as the background for the page. The puppet has a large, expressive face with wide eyes and a prominent nose, and its body is decorated with intricate patterns. The illustration is centered and occupies most of the page.

 LAWANG

Our guiding principles

COMFORT FIRST

The essentials should feel right from the very first use.

OPERATIONAL EASE

Everything should be easy to clean, restock, and maintain.

TROPICAL MINIMAL

Fewer pieces, better materials, and a cleaner visual reading.

GUEST PERCEPTION

Small details greatly elevate the overall experience.

Living & Dining

Light, warm, easy to maintain. Where comfort and a clean aesthetic come together.

AC-01

MODULAR SOFA

Upholstered in linen or polyester, in sand or stone tones.

AC-03
